**Sub: Transfer of Employment to Hari and Company Investments Madras Private Limited pursuant to Composite Scheme of Arrangement**

Dear Venkata Sesha Sai Deepak Gudivada,

We refer to the Composite Scheme of Arrangement approved by the Hon'ble National Company Law Tribunal, Chennai Bench, on 9 December 2025 ("**Scheme**"), pursuant to which all businesses, activities and operations, assets, liabilities, rights, and obligations, including all existing contracts, agreements and related obligations of Vivriti Capital Limited ("**VCL**"), stand transferred to and vested in Hari and Company Investments Madras Private Limited ("**HCIMPL**"), with effect from April 1, 2026 ("**Effective Date**").

We wish to formally communicate that, in accordance with the Scheme, your employment with VCL shall stand transferred to HCIMPL, with effect from the Effective Date. Consequently, you shall be deemed to be an employee of HCIMPL without any break or interruption in service, and on the following terms:

1. **Designation and Role:** Your current designation, role and reporting structure shall remain unchanged.
2. **Compensation and Benefits:** Your current Cost-to-Company (CTC) and employment benefits shall remain the same as applicable to you at VCL, unless modified in accordance with applicable law or employment policies of HCIMPL from time to time.
3. **Continuation of Service and Statutory Benefits:** The transfer of employment shall be treated as a continuation of service for all statutory and contractual purposes, including but not limited to gratuity, provident fund (PF), Employees' State Insurance (ESI) (if applicable), leave accruals, and other social security benefits under applicable law. There shall be no break in continuity of service as a result of this transfer.
4. **Statutory Transfer of PF:** Your existing Universal Account Number (UAN) registered with the Employees' Provident Fund Organisation (EPFO) shall remain unchanged. Post transfer, PF contributions shall be remitted by HCIMPL under its PF establishment code. No action is required from your end unless separately communicated (such as digital KYC updates). Your accumulated PF balance, pension eligibility, and service continuity shall remain unaffected.
5. VCL shall remain responsible for statutory contributions and filings up to the day prior to the Effective Date, and HCIMPL shall assume responsibility from the Effective Date.

By acknowledging this letter, you consent to the transfer of your personal data from VCL to HCIMPL for purposes connected with the continuation of your employment. Such personal data may include identity information, contact details, demographic information, KYC records, qualification and employment records, payroll and compensation data, statutory benefit information, performance and appraisal data, leave and attendance data, and general personnel files. HCIMPL shall process your personal data solely for lawful purposes relating to employment administration, payroll, statutory compliance, HR operations, and corporate governance.

By acknowledging this communication, you confirm that you have no objection to the transfer of your employment to HCIMPL pursuant to the Scheme and agree that such transfer does not constitute termination, retrenchment, redundancy, or dismissal by VCL, nor does it entitle you to any separation payments or notice pay, except as required under applicable law.

Except as expressly stated above or as required by the Scheme or applicable law, there is no other change to the terms and conditions of your employment.

We look forward to your continued association with HCIMPL.

For any clarification, you may reach out to the HR Team.

Yours sincerely,  
For Vivriti Capital Limited

Raja Rajeswari Kodan  
Executive Vice President & Group Head
