Update on Work Location

Dear Vishnu,

We hope you are doing well!

This is to inform you that due to a change in project requirements, the mode of work for your role has been revised. Instead of relocating/working from the office, you will now be required to work on a **Work From Home (WFH)** basis until further notice.

All other terms and conditions of your full-time employment remain unchanged. You are expected to continue fulfilling your responsibilities and deliverables as per project expectations while working remotely. In case there are any further updates regarding work location or project requirements, the same will be communicated to you in due course.

Please feel free to reach out in case of any questions or clarifications.

We appreciate your flexibility and cooperation.

Looking forward to having you on board.

Sincerely,

Vineet Sukumar
